

Motorized Recreational Vehicles (MRV) Policy and Guidelines Oakwood Park Association, Inc. (OPAi)

Oakwood Park Association, Inc. shall permit the use of non-licensed Motorized Recreational Vehicles (MRV) on **OPAi owned roads and property** subject to the following Policy and Guidelines:

- All MRVs (golf carts, segues, ATVs, snowmobiles, etc.) should be registered with the OPAi Board of Directors (Security Director) prior to their operation within Oakwood Park.
- Registration requires confirmation of a valid and current liability insurance policy that ensures the MRV is covered under the owner's homeowner's policy or other public liability policy. This insurance must be maintained continuously when the MRV is operating on OPAi roads and property.
- It is incumbent upon the vehicle owner to register their MRV and update information on an annual basis. Registration forms will be sent out annually with the OPAi Annual Dues notice.
- If a new MRV is acquired during the year, it is incumbent upon the owner to register prior to operation of the vehicle in the Park.
- Any MRV not registered should not be operated on any OPAi roads or property within the Park.
- All MRV drivers must have a valid Ontario or equivalent Driver's License and operate the MRV in a safe and prudent manner.
- MRV drivers must adhere to all stop signs, other traffic signs and posted speed limits within the Park.
- MTO rules of the road including age for operations, insurance, dangerous operation, use of alcohol or other substances, traffic incidents, etc. apply on OPAi roads and are in effect for all vehicles, MRVs and other licensed vehicles operated on OPAi roads and property.
- Night use of MRVs is ONLY permitted when the vehicle is equipped with proper running/head lights.
- MRVs must NOT be parked in a manner which interferes with vehicle or pedestrian/bicycling traffic.
- Open display or use of alcohol and cannabis on MRVs or other vehicles is not permitted.
- MRV owners are solely responsible for all acts and omissions of all persons who operate their vehicle on OPAi roads or property, and all consequential damages.
- The MRV owner is solely responsible for the associated costs of all liability claims for injury or property damages caused by their MRV, regardless of who is driving.
- All MRV owners are required to sign the "*OPAi MRV Owner Registration and Indemnity Form*" releasing OPAi from any liability or claim relating to, or from, the use of the vehicle or in the event of accident/injury or property damage.
